REQUEST FOR PROPOSAL (RFP)

FOR

GREY WATER (ABLUTION WATER REUSE SYSTEM) MANAGEMENT SERVICES

UNDER

COMMUNITY WATER STEWARDSHIP PROJECT: REPLENISHING THE GROUNDWATER RESOURCES IN LAHORE AND MULTAN

Location: CANCER CARE HOSPITAL LAHORE

WWF-Pakistan under National Competitive Bidding (“NCB”) has a requirement for the services of one qualified contractor to provide end-to-end grey water management services in the mission for offsetting and reduction in use of groundwater to implement water stewardship by water replenishment techniques.

The scope of work broadly includes provision of resources for carrying out all general civil works such as excavation and backfilling works, masonry and plastering, PCC and RCC foundation bedding, design of plumbing and miscellaneous structural works according to site and situation requirement.

The Contractor shall provide the following services mentioned in Table.1

Bill of quantities (BOQs)
