

Celebrate this festive season the green way.

*Merry Christmas!*

In Singapore, about 1.25 million tonnes of paper waste was generated in 2012. That's 21 million trees, 40,000 kg of atmospheric pollution, and thousands of animals that could've been saved.

## REWRAP YOUR GIFTS WITH LOVE.

In Singapore, about 1.25 million tonnes of paper waste was generated in 2012. That's 21 million trees, 40,000 kg of atmospheric pollution, and thousands of animals that could've been saved.

Have your gifts wrapped in used newspapers instead of new wrapping papers. Decorate them with WWF gift stickers and tags provided to further spread our message.

Show your care for our planet, as you give a gift to your loved ones! Visit [giftcatalogue.wwf.sg](http://giftcatalogue.wwf.sg) for alternative gift ideas that will mean the world.

Your gift is wrapped in used newspapers so as to help conserve the planet's resources. Show your care for our planet, as you give a gift to your loved ones! Visit [wwf.sg](http://wwf.sg) to learn more.
